6.	Date for submission of EOI	10.08.2023

The Brief schedule of work is follows:

Expression of interest

Greater Calcutta Gas Supply Corporation Ltd. (GCGSCL), (A Govt. of West Bengal Enterprise) intends to urgently undertake "Dismantling and removal from site two nos. of non operational (with effect from 29.04.2019) about 300 mm dia coal gas carrier steel pipelines along with their damaged casing steel pipes 400 mm dia (approx.) & all related attachments from their presently laid positions on each side & underneath the deck of Railway owned Vivekananda (Bally) Bridge connected with two valve stations (Dakshineswar and Bally Ghat) located on either side or river Hooghly having a total length of about 2.0 km. the salvaged materials etc. are to be delivered to GCGSCL store office in Kolkata".

GCGSCL is hereby inviting Expression of Interest (EOI) from the bonafide & resourceful organizations capable to undertake & successfully complete the said job preferably having proven experience in construction & dismantling of pipelines for gas, water, sewer etc. from bridge over river or of similar nature.

The organization is required to carry out broadly the following activities:

- i. Dismantling & complete removal from site the entire length of carrier & casing pipes, all attachments etc. underneath the deck of the bridge and also between the two valve stations including other gas installations there. The pipe length & installations would be as per decision of GCGSCL.
- ii. Purging & safe venting operation of the residual coal gas (inflammable, explosive & toxic in nature) from inside the gas carrier pipeline before going in for any kind of hot work on the gas pipelines by adoption of Nitrogen purging followed by compressed air from the carrier gas pipeline stretch between Chiriamore & Bally PRS & if required also from the pipelines interconnected thereto.
- iii. Safe removal, collection , handling, transportation & disposal of the coal gas residues like tar, tar oil etc. likely to be contained in the gas (carrier) pipelines without causing pollution related and other kind of hazards to the river water and elsewhere during the entire process of working like cutting/dismantling/removal etc. of the pipelines/installations.
- iv. The salvaged materials etc. are to be delivered to GCGSCL store office in Kolkata 700 009 arranging safe loading/transportation/unloading facilities & resources.
- v. To engage all kind of required type of resources, expertise, facilities etc. for safe & successful completion of the entire job.
- vi. To obtain required permission/consent etc. from the stakeholders/concerned authorities of the bridge (like Eastern Railway Authority , WBPCB, PWD, HRBC, Transport Dept. , Howrah Municipal Corporation, Kamarhati Municipality, Baranagar Municipality, Police Commissionerates of Howrah, Barrackpore Kolkata, Bidhannagar etc.) before commencement of the job.
- vii. Upmost precaution & care, all required safe practices etc. are to be exercised and conditions of all such permissions obtained from different authorities are to be strictly adhered to during the entire process of working till successful completion of the job.

Further details may be obtained from Assistant Manager (High Pressure)/Assistant Manager (North Zone) of GCGSCL.

After consultation of EOIs organizations considered initially may be requested to participate in the bidding process as per applicable rules/as decided by GCGSCL

authorities. GCGSCL reserves the right to seek additional information from the prospective organizations who respond to this EOI before requesting to participate in the bidding process. GCGSCL also reserves the right to request any organization/s to participate in the bidding process and to cancel the entire process altogether without assigning any reason whatsoever. Irrespective of the outcome of this invitation of EOI & subsequent bidding process GCGSCL will not reimburse any cost etc. to any organization. The interested organizations may submit their EOI on their letter head along with their organizational details, details of experience and any other information deemed useful, in sealed cover marked "Expression of Interest for removal of pipelines from Vivekananda Bridge and connected valve stations " upto 3 p.m. on or before 10.08.2023 to:
